

NOTICE: SAFETY RECALL - BERETTA NEOS PISTOLS

Dear Beretta Customer:

As you will see from the attachment, Beretta U.S.A. is implementing an immediate recall of Beretta .22 caliber NEOS pistols sold after January 1, 2015. If you have any of these pistols in your inventory, please return them immediately to Beretta U.S.A. Corp. for retrofit. Instruction for return of your pistols is attached.

If you know of customers who have purchased this pistol, please forward a copy of the attached recall notice to their attention so that they may return their pistols directly to Beretta U.S.A. If you prefer, you can provide Beretta U.S.A. with the contact information for these customers and we will notify them directly.

We apologize for any inconvenience this matter may have caused you and we greatly appreciate your assistance in helping to effectively implement this product recall.

WARNING: SAFETY RECALL NOTICE

RISK OF FIREARM ACCIDENTAL DISCHARGE INVOLVING RECENTLY-MANUFACTURED BERETTA MODEL U22 NEOS PISTOLS

**THIS RECALL NOTICE IS FOR OWNERS OF BERETTA MODEL U22
NEOS PISTOLS PURCHASED AFTER JANUARY 1, 2015**

WARNING: Beretta model U22 Neos pistols purchased after January 1, 2015 may have a condition that allows the pistol to fire even if the safety lever is engaged. In more rare circumstances, engagement or disengagement of the safety lever itself can cause accidental discharge. If the pistol is pointed in an unsafe direction when this condition occurs, discharge of the pistol can create a risk of injury or death.
