

RECALL NOTICE

Goal Zero LLC Announces Recall of EC8 Power Cables From Vehicle Integrations

12' EC8 Extension Cable
98201

Male EC8 to Ring Cable
98202

Hazard: The pins inside the connector on the power cable can deform and overheat, posing a fire hazard.

Recalled Product: This recall involves only the 12-foot EC8 Extension cables (model 98201) and Male EC8 to Ring cables (model 98202) that are installed in vehicle integrations.

Remedy: Consumers should immediately stop using the “Male EC8 to Ring” and “12’ EC8 Extension” cables and contact Goal Zero for a free replacement. If the product is in use, immediately disconnect and set aside.
